Can you help?

On Tuesday the 1st of August 9-3pm the Reception Team are having a working party. Our aim is to improve the outdoor area in the Reception. This will include; weeding, pruning, digging, transporting, building, sorting and general tidying. We would be especially grateful of any carpenters, landscape gardeners, tree surgeons or builders that might be able to advise and support us with specific skills. If you feel you can help in any way we would appreciate your support. Please email khunter@headleypark.bristol.sch.uk to let us know if you can attend or if you have any questions.
