

Praise assembly

22nd Sept 2017

In this assembly as usual we praised the well behaved children with awards.

First we had Tommy - he was awarded his certificate for persevering when flying his kite and for being very well behaved throughout the week.

YR1's Esther earned her award for independent reading and with her work all the time.

Wednesday from YR4 had been kind to her friends and a great role model to everyone in her class.

Reece in Y5 had been good and showed brilliant listening.

Myley in Y3 brilliantly kept her calm when a wasp managed to crawl into her cardigan and sting her several times and then once on her cheek. She knew that the wasp was more afraid of her than she was of him.

Writers tea party.

Every one was awesome at the tea party with all their writing and they all seem really happy with their star writers' pencils.

Rainbow maths

Well done every one that won a badge!

Birthdays

Happy birthday guys!

Leaves

Lots of lovely leaves for our Headley park tree where each month we set a different one of our Headley Park Skills for the children to think about. This month it's consideration.

some children with their leaves

Attendance

In Headley Park we have a great and fun way of keeping track of our attendance we have a meter that we move up or down. This week it is very high so that's why it's in this report.

Our meter

House points

We always keep track of how many house points each colour from each class earns at the end of the week by putting a ping pong ball into a house pot, there is a pot for each colour

The colours are WHITE ORANGE PURPLE RED GREEN YELLOW

THE END!!!

Praise Assembly 22nd Sept 2017

This Friday we had lots of leaves wich means lots of consideration!

Along with 6 head teacher's awards...

In Y5, there was Honey Davies for excellent work and looking through the text carefully!

In Y4, Chloe Bryant was increasing in her amazing confidence!

In Y3, Amaya White for changing her mindset in her work and even staying in to do extra writing!

In Y2, Koby was doing fabulous work and was always trying his hardest!

handwriting which is

In Y1, Oliver Wood got his award for brilliant very good.

In YR, Dash Marlton-Smith got an award for trying his best and good purple learning.

Ms Fredrickson chose Louie Sheppard in Y1 for very good attitude and concentration in Homework Club.

Y3H won the attendance trophy and Y4P got the Eco Award.

Fletcher Sucheki got his orange rainbow maths badge and all the star writers from last week got their pencils.

Well done everyone!!!

By Drake in Y5
