Trip to Avebury

Thursday 5th October

Dear Parent,

As part of our topic 'Meet the Flintstones' we will be visiting the stone circle at Avebury. We will have a guided walk around the stones and visit the museum. The cost of the trip is £9.00.

On the day children will need:

- to wear school uniform and a waterproof coat.
- a packed lunch and a drink in a backpack.

(if your child qualifies for free school meals you can request a school packed lunch on parentpay but we need to know asap).

If they suffer with travel sickness please ensure they take medication before leaving school and if necessary a tablet for the return journey. (If needed for return journey please give the medication to the class teacher).

The trip will take place during school hours. If we do not receive enough contributions we may have to cancel the trip. We are sure that you will agree that your child will enjoy and benefit enormously from this day.

To pay for this trip please go to parentpay - this will also give your child permission to go.

Miss Harris
Mrs. Murray
