Dear Parents/Carers

As part of our Mechanical Madness topic, we have organised a fun action packed day at @Bristol on Friday 13th October.

This visit will give the children the opportunity to investigate the exhibits in the museum to see how different things move and work. In addition, the children will be participating in a workshop investigating how things move by identifying the pushes and pulls in toys, adapting vehicles to make them travel faster and observing how materials change shape when they are squashed and stretched.

The coach will be leaving school at 9:15am and returning for normal school finishing at 3:20pm.

Please ensure your child is wearing school uniform and has a packed lunch and a bottle of water. Year 2 children are entitled to free school meals so if you would like us to provide a packed lunch, please let us know and we will make sure one is provided. We will not be visiting the shop so your child should not bring any money with them.

We are asking for a contribution of £11.20 to cover the cost of admission into @Bristol, the workshop and coach travel.

The trip payment has been set up on ParentPay. You may request a school packed lunch for Friday 13th October in the usual way on Parent Pay. Once you have made a contribution and/or requested a packed lunch, this is treated as permission for your child to attend the trip. Please can you complete the required permission by no later than Wednesday 4th October.

If the funds raised are insufficient then the trip will have to be cancelled. If you are registered for Pupil Premium and would like help with the payments, please see Ms Fredrickson.

There will be spaces for adult helpers on the day so if you are free and would like to help out please let us know.

We are sure that you will agree your child will enjoy and benefit enormously from this day.

Thank you for your support.

Miss Holmes, Miss Blackman and Miss Trarieux.
