

Year Six Camp!

A fantastic trip to Dartmoor, with an amazing range of exciting activities

Headley Park Value: Consideration

This term our focus in assemblies and learning time will be consideration and how we should treat others the way we wish to be treated, making decisions using our heads and our hearts.

English

The children will be reading the book, 'Floodland', by Marcus Sedgwick which tells the story of a little girl's experiences in a flooded Norwich. Using this text, we will be writing in role, as well as working on description and extended narratives. We will be looking at and using journalistic language to create newspaper reports.

Maths

The children will be learning about place value and rounding numbers and how they are used when solving problems. They will be developing their understanding of all four operations and will be using them to solve real-life problems. The children will also be collecting, recording and analysing data from our local weather.

Changes in our World

In History/Geography, we will be learning about a range of natural disasters through a collaborative teamwork approach. This will mainly involve using key map skills and exploring physical geography. We will be researching and the Great Storm of 1987 and hope to be able to interview anyone who remembers that fateful night. If you would like to volunteer to share your experience, please let your child's teacher know.

Science and Technology

Our Science and Technology focus will be based around using search engines effectively for a specific purpose and the children will be using the internet to research natural disasters.

Culture

In RE, we will be looking at Buddhism and learning about the buildings and symbols of this religion.
In Art, we will be creating landscape collages using a variety of media and learning about the work of Michelangelo.
In Music, we will be learning to play and perform in solo and ensemble contexts (woodwind).

Wellbeing

In PSHE, our focus is 'new beginnings' with a citizenship theme of developing confidence and responsibility and making the most of our abilities.
In PE, we will be practising athletics (indoors) and tag rugby (outdoors).
