There was good news in sport – we got 1st and 2nd place in the tag rugby and in the swimming gala we were very good at supporting each other when competing. Josh got a special mention from the organisers for his resilience and perseverance. Well done to the football team too – 39 boys took part and we have won most of our matches.

Well done to everyone who got their Rainbow Maths badges this week!

Learning to Lead teams gave out some reading awards to Ryan and Tallulah.

There were loads of housepoint certificates this week but unfortunately they had got into a bit of a muddle and there were quite a few who had certificates for the wrong house. Ms Fredrickson promised to change them if anyone had the wrong one.

Attendance was up by 0.1% - keep it up!

That's it for another term... Next term we hand over to new Praise reporters. Good luck!
