

Dear all,

Hopefully your child has begun to tell you a little bit about our Christmas play! Here are some ideas for costumes. Please don't feel like you have to spend any money on these. We have lots of extra costumes from previous nativities so please let us know if you wish to use these. Pictures are for guidance, be as creative (or not!) as you wish!

All the parts are listed below.

Please practise your child's line as much as possible and encourage them to speak loudly and clearly.

Thank you!
