

Headley Park Primary School and Sports Funding

Headley Park Primary School has long recognised the contribution of PE and fitness to the health and wellbeing of its children. We also acknowledge that a broad, balanced, high quality curriculum and extra-curricular activities have a positive impact on concentration, attitude and achievement.

The PE team is committed to ensure that all pupils receive a minimum of 2 hours of PE per week, delivered by well trained and enthusiastic teachers. Due to the sports funding provided by the government we are rolling out a further years programme to continue to develop a sustainable improvement in teacher confidence and a new curriculum based on developing children's physical literacy skills. Regular staff training opportunities are being provided for teachers and TAs to keep them abreast of new initiatives.

We run a Sports Week every year including round robin activities and competitive races for KS1 and KS2. This year we are also holding a CST Sports Day involving all the schools within the trust.

Teachers and TA's provided a wide range of after school sports clubs, both for team and individual sports. Headley Park Primary School has an unrivalled record in local sports competitions and events in south Bristol and has regularly reached county finals. This could not have been achieved without the support and commitment of parents which is very much appreciated.

What is the Sports Premium?

The government is providing further money for the academic year 2017/18 to fund new and substantial primary school sport. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children. Headley Park Primary has been allocated £19, 560 to improve PE and activity levels in school during the year 2017 to 18.

Possible uses of the funding include:

- develop or add to the PE and sport activities that your school already offers

- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

There are 5 key indicators that schools should expect to see improvement across:

- The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- The profile of PE and sport is raised across the school as a tool for whole-school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport

Headley Park Primary Funding Plan 2018-19

Professional development	Action	Outcome
Releasing effective teachers to lead improvements in PE.	Duncan Butler and Max Longden to work alongside new class teachers in 6 week blocks.	Provide teachers and children with confidence to enhance existing skills.
Provide list of CPD opportunities provided by the school/sports partnership	List of dates and activities displayed in the staffroom.	The staff are confident to use a range of teaching styles to provide high quality lessons.
Release time for staff to attend training days run by the School Sports Partnership.	Discuss with DB which courses would be beneficial for which staff. Ensure ML continues to broaden skill	Staff gain experience in a range of sports and activities.

	base.	
Competition & Elite		
School Games membership/Wesport	Access to L3 competitions.	Pupils participate in a wide range of inter school competitions.

Cycle track and Bikeability	To improve road safety and use of cycle track on school field.	£400
Sports Days and events including transport	To raise the profile of sport and PE across the school as a tool for whole school improvement.	£1,000

Sustainability

The Sports Premium investment is targeted at improving Teacher and LSA skills so that they feel confident to lead sports activities and integrate them within the school curriculum. Performance reviews will be used to check how confident staff are to lead sports activities.

Headley Park is a Healthy School which encourages all pupils, regardless of ability, to participate in sports activities. The Sports Premium will be used, in part, to encourage pupils to develop an interest in sporting and active activities in school, at home and when they transition to secondary school. The bike/scooter track is an example of a facility introduced at school which can help to sustain pupils active travel to school and general fitness.
