

Trip to the woods to investigate and identify animals, as well as habitats.

Texts – Little Polar Bear and The Lonely Beast

We will be focusing on writing character descriptions, instructions and narratives during Term 5.

In Term 6 we will be writing postcards, letters and non-chronological reports.

As always we will keep improving our comprehension and inference skills by reading daily.

We will continue to focus on our arithmetic skills (=, -, x & ÷). We will also be learning about shape and geometry, position, time and measures (capacity, length, weight)

Animals (including humans) Living things and their habitats plus Plants. We will be finding out about animals and their offspring, their food and their habitats. We will be observing how seeds and bulbs grow in different conditions.

Geography:

Place Knowledge - Comparing different locations around the world.

Physical Geography – Looking at key features such as a forest, mountain, coast, river, ocean.

Music:

Animal Rhythms – recognising, playing and composing simple rhythm patterns

Indoor – ABC (Agility, Balance and Co-ordination) and football (with a twist)
Outdoor – Athletics and tennis.

Art: We will be looking at the work of Joseph Cornell – and creating personal habitat dioramas. We will also be creating front covers for the Radio Times Royal Wedding Competition.

DT: Freestanding structures - Make a bug hotel.

School Value:

Appreciation of themselves and others.

Big question:

Could a polar bear survive in Headley Park?

Computing:

Coding – programming with Lego.
