Super Star Readers

After hearing about Y5 Henry's achievements in reading last week, George in Y4 was inspired to set about increasing his reading. He worked out a plan with his mum to encourage him to read every day and now he's wanting to read all the time and is filling up his reading diary fast. Well done, George!

Non-Uniform Day for Disabled Access Day

Thank you for your donations today to support the McKechnies' fundraising campaign for home adaptations for Jenson. We raised a total of £492.87. The family is delighted and has asked me to pass on their thanks to you all.

CST Concert

A HUGE well done to the KS2 choir for taking part in the wonderful CST Concert at the Cathedral last night. In the words of Stephen Parsons, Chair of the Trust, in his thanks to Eiron Bailey and everyone who took part:

What a Musical Feast you gave us last night in the Cathedral. But much more than that you fused 4 very different schools in music and performance in a way that no long meetings, detailed agreements, and due diligence ever could! Thank you for that. CST came of age last night and it did so through singing. Choirs from all the Trust

Schools performed in the big space of Bristol Cathedral and all did so brilliantly. Then all the music makers came together and sang as one, Year 2 with Year 13 and everything in between. That is why we formed The Cathedral Schools Trust and last night CST Rocked! My thanks and congratulations to all the pupils and staff who took part. It was one of those 'I was there moments' and I will never forget it.

Thanks to Mr Jackson and Mrs Shaddick for organising at our end and to all the parents, friends and staff who came along to show their support. It was an excellent concert and the Headley Park children made us very proud indeed - not only with their singing, but with their impeccable behaviour, enthusiasm and energy throughout. Congratulations to all involved.

Staffing News

I am very sorry to let you know that the son of Teresa Fowles (one of our cleaners) died at the weekend. He was 33 and became ill very suddenly. We have sent flowers and cards made with exceptional care by our children at After School Club and have sent our condolences on behalf of everyone in the school. Our thoughts are with the whole the family at this very difficult time.

Maths Champions

Well done to all the maths champions who were selected for the mental maths competition this afternoon and congratulations to Zach and Sofia in 4T who were overall winners.

Lunchtime Vacancy

We still have vacancies for lunchtime supervisors - if you or anyone you know might be interested, please ask office staff for an application form.

On Friday 23rd March, we will be joining in with the Sports Relief fundraiser by dressing up as sporting heroes (in exchange for £1 donation) and taking part in a variety of sporting activities. Reception and nursery will be holding relay races, Years 1 and 2 will be having a dodgeball competition and KS2 will be doing a sponsored mile run. The House Captains will also donate all the money raised

from their Easter bake off. We will also be holding sports relief assemblies and activities through the week so children know about the charity and where the money raised will go. We will also be selling Sports Relief wristbands and other merchandise through the week. These events are being organised by Year 6 House Captains, supported by Miss Harris.
