## Staffing news

We are very sad that Mrs. Williams, who has worked here for over 15 years, will be leaving us on the 18<sup>th</sup> May as she is moving out of the area. Mrs. Williams is a wonderful LSA and has touched the lives of hundreds of children with her exceptional talent supporting learning and helping children managing all aspects of school life. She is loved by everyone she works with, adults and children alike and she will be sorely missed. We wish her all the very best for this next stage of her life.

## Sponsored Bike Ride for Cancer Research

At the end of July, Mr Braithwaite is taking part in an epic cycle ride from London to Paris in aid of Cancer Research. The 283 mile route, which will take 3 days, leaves London, heading south to Dover before a quick Channel crossing. Once on mainland Europe, the journey goes through Amiens before arriving in Paris in time to catch the final stage of the Tour de France.
