

Headley Park Primary School and Sports Funding

2018-19 Impact

2019-20 Planned Expenditure

Headley Park Primary School has long recognised the contribution of PE and fitness to the health and wellbeing of its children. We also acknowledge that a broad, balanced, high quality curriculum and extra-curricular activities have a positive impact on concentration, attitude and achievement.

The PE team is committed to ensure that all pupils receive a minimum of 2 hours of PE per week, delivered by well trained and enthusiastic teachers. Due to the sports funding provided by the government we are rolling out a further years programme to continue to develop a sustainable improvement in teacher confidence and a new curriculum based on developing children's physical literacy skills. Regular staff training opportunities are being provided for teachers and TAs to keep them abreast of new initiatives.

What is the Sports Premium?

The government is providing further money for the academic year 2019-20 to fund new and substantial primary school sport. The funding is being jointly provided by the Department for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children. Headley Park Primary is due to be allocated £19, 560 to improve PE and physical activity levels in school during the year 2019-20.

Possible uses of the funding include:

- Develop or add to the PE and sport activities that your school already offers
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

There are 5 key indicators that schools should expect to see improvement across:

- The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- The profile of PE and sport is raised across the school as a tool for whole-school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils

- Increased participation in competitive sport

Impact 2018-19

We were awarded the gold school games mark in 2019 for the third consecutive year, which recognises a whole-school commitment to physical well-being as well as inclusion and achievement. We run a Sports Week every year including round robin activities and competitive races for KS1 and KS2. We will also be running a week in-line with the 2020 Olympics. This year we are again holding a CST Sports Day involving all the schools within the trust. We also take part in National Fitness Day as a whole-school.

From 2018 we have been required to report on how many of our Year 6 children were able to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively
- perform safe self-rescue in different water-based situations

By the end of the academic year 2018-19, 100% of our Year 6 children were able to do this thanks to our targeted activities with the less-able children. Our Year 4 and 5 children have also had a block of lessons during the year.

150 (62%) of Key Stage 2 children were engaged in extracurricular sporting activity every week.

20/22 'Pupil Premium' children (91% met of 90% target in School Curriculum Plan) across Y5/6 represented the school in a sporting capacity. This helped introduce many children to the feeling of representing the school, being part of a sporting team and helped potentially inactive children being exposed to more physical activity.

All NQT's received CPD during Terms 1&2, in addition to them all attending at least one course through Ashton Park Sports Partnership. In addition, Bristol City Community Trust delivered football for two terms, upskilling teachers in the process.

Continued with our Sports Ambassadors from Year 6 who have been involved in assisting the PE team. This includes planning assisting in delivery of activities, maintaining school equipment and processes (such as the Daily Mile) and acting as a role model for their peers.

Teachers and LSA's provided a wide range of after school sports clubs, both for team and individual sports. Headley Park Primary School has an unrivalled record in local sports competitions and events in south Bristol and has regularly reached county finals.

Participation in clubs has remained high across the year. We offered 20 sporting after-school clubs across the academic year, with the emphasis on both girls and boys taking part. This allows more children to be active and to find an environment that they feel

comfortable and can hopefully thrive in. In addition, the amount of girls taking part in after school clubs continues to be high.

In 2018-19, we improved on the amount of 'B' & 'C' teams competing in events. Additional children represented the school in inter-school level 2 competitions in: Girls' and Boys' Football, Mixed Tag Rugby, Mixed Athletics, Cricket, 'Quad Kids' Athletics and Gymnastics.

Achievements

In 2018-19 we were crowned West of England Indoor Athletics Champions for the third consecutive year. This was recognised at the Ashton Park Sports Awards where the Athletics Team won 'Primary Team of The Year'.

Furthermore, we competed at national level (Football Kids' Cup) in Birmingham having won the Bristol competition, won our local Boys' and Girls' Football League and reached the Semi-Finals of the Bristol Schools Cup Final (Coronation Cup). We also qualified for Level Three county-level competition in Tag Rugby (6th in The West), Girls' Cricket, Cross Country and 'Quad Kids' Athletics having won the local events. We also performed well in local inter-school events (Level Two), finishing as League Runner-Up in Netball, Team and Individual gold in Year 3/4 Gymnastics and joint-winners of the Year 5/6 Girls' Tag Rugby Competition.

This could not have been achieved without the support and commitment of parents which is very much appreciated.

Headley Park Primary Funding Plan 2019-20

Professional development	Action	Outcome
Releasing effective teachers to lead improvements in PE.	Duncan Butler and Jess Angle to work alongside new class teachers in 6 week blocks	Provide teachers and children with confidence to enhance existing skills.
Provide list of CPD opportunities provided by the school/sports partnership	Dates and opportunities offered to all teachers via email	The staff are confident to use a range of teaching styles to provide high quality lessons.
Release time for staff to attend training days run by the School Sports Partnership.	All NQT's and optional to CT's to attend a PE focus through Ashton SSP CPD opportunities	Staff gain experience in a range of sports and activities.
Competition & Elite		
School Games membership/Wesport	Access to high-level (L3) competitions.	Pupils participate in a wide range of inter school competitions.

Continue to be member of the Ashton School Sports Partnership	Local sports festival events, L2 competitions across South Bristol, weekly league competitions alongside a variety of more inclusive events	All pupils are able to access school sports events. PE and sport are used to foster positive relationships with other schools and improve self-esteem and physical well-being
Target training/opportunities for elite	Provide after school opportunities within and outside of school. Encourage learning to lead opportunities from trained pupils.	Pupils demonstrate a high level of skill and understanding.
Participation & Access		
Engaging the least active children.	Children to be offered a number of different sporting club opportunities, focus on PP representation, active club, inclusive event opportunities through Ashton SSP	Teaching and learning encourages all pupils to participate.
Engage children in playtime challenges throughout the year.	DB & JA run termly challenges for years 1 to 6 at lunchtimes	
Access for indoor facilities	Hire coaches and gymnastic centre for Y1	Pupils are provided with opportunities to enhance existing skills.
Forging links with local clubs.	Ensure children have information needed to join local sports clubs eg Bedminster Cricket Club, St Aldhems FC, Bristol & West AC etc.	More children take up membership/ use of local sports facilities. Extra opportunities for physical activity outside of school.
Improving activity & fitness		
Increase number and breadth of after school sports clubs	Girls & Boys' Athletics club, KS1 football, Ultimate Frisbee, Dance Club	An extensive range of sports activities are available.
Purchasing equipment	Replace equipment/New equipment for lessons and clubs	
Train new sports/playground leaders.	Y5s are trained and given rota to run playground/sports activities at lunchtime.	More pupils are engaged in physical activities.

Build and maintain new astroturf surface	Surface to provide further opportunities for children to play during lunchtime and wet periods.	More pupils engaged in physical activity for more of the time.
Learning to Lead teams	Provide resources for active learning to lead teams (including mile-run rewards)	Increase engagement and physical activity.
Inspiring achievement		
Providing extra additional activities and provision of large school sports events.	Sports week linked to 2020 Olympics, including sports Days for all pupils.	PE and Sport are used to engage the wider community.
Celebrating achievement		
Assist provision of large sports events.	Sport Week Headley Park Sports Awards included in end of year Governors Service.	PE and Sport are celebrated across the life of the school.
Showcase large event for CST Academy schools.	CST Sports Day – liaise with PE leads and plan out details for whole academy trust sports event.	The profile of PE and sport is raised across the trust as a tool for improvement.

Sports Funding Expenditure 2019/20		
CPD release time Duncan Butler and Jess Angle, including extended sports clubs for less active children	Money towards cover of releasing Jess Angle to work alongside class teachers to improve PE skills, as well as help and deliver a variety of after school sports clubs.	£3,500
Resources	Replacement of broken, lost or worn out resources.	£2,000
Schools Sports Partnership membership	To enable children to compete in inter-school competitions and festivals.	£2,000
Hire of Gymnastic coach and Gymnastic Centre	Y1 has access to high quality equipment and coaching to develop skills. (1 term)	£1,000
Hire Yoga Instructor	Yoga delivered across year groups through Term 2 and 3, helping physical and mental well-being	£700
Pitch markings	To keep up constant rotation of sports competitions and sports days.	£1,000

School minibus maintenance and upkeep	To offer outside sporting opportunities across the entire school.	£1,500
Sports Days and events	To raise the profile of sport and PE across the school as a tool for whole school improvement.	£500
Supply Costs to release teachers and LSA's for outside PE CPD (through local partnership and beyond)	To enable Teachers and LSA's to receive continued development in various sporting areas.	£2,000
Daily Mile (before school) incentives and rewards	To continue to reward, incentivise and inspire children to take part in physical activity before school	£500
Sports Awards Trophies	To recognise improvement and achievement at the end of the academic year	£150
New Sports Kit + Outfits for Stages Dance	To replace old/lost kit plus purchase new costumes for 'stages' dance competition.	£500
Hire inspiring coaches/athletes for Big Olympic Week 2020	To help inspire children to stay active and introduce them to new areas of physical activity	£1,000
Bristol City Community Trust Coaches	Following the success of the BCCT coaches in 2018-19, we would look to hire them again to deliver Premier League Primary Stars with various year groups. This not only gives children aspirational role-models but also provides teachers with outstanding CPD	£1,500
Enter 'Bristol Together' scheme	Through 'Community of Purpose', children are selected to take part in the 'Bristol Together' scheme which exposes children to different social demographics and potential aspirational experiences (Bordeaux 2017 and 2019)	£400

Large coach travel to events	Coach travel required for larger events to L3 competitions	£1,000
Extra equipment/resources to engage less-active children in targeted clubs	To help increase physical activity for less active children	£250
