Attendance

Well done to everyone who was entered into the draw for 100% attendance. This week the lucky winners were Harmony in RC who chose an animal book and Freddie D in 6B who won a David Walliams book.

Whole school attendance this week was 94.5% again - still hoping for that magic 96%!

Congratulations to 2S who won the class attendance trophy this week with 98.3%.

Playground Safety

Just a reminder that there are a few rules that apply to all parents and visitors to the school for the safety and protection of all our children:

1. Smoking is NOT permitted anywhere on the school site, including the playground, drive, field and car park
2. Dogs are not allowed anywhere on the school site
3. Children are not allowed to play on the adventure before or after school, even if you are supervising them. This is because for insurance purposes, it has to be supervised by a member of staff
4. Bikes and scooters must not be ridden on the playground or driveway - this includes younger siblings please.

It is quite a small site for the numbers of people so it's really important for our children's safety that these rules are adhered to. Thank you very much for your support.

Online Safety

The Ups and Downs of TikTok

It seems that not a week goes by without there being some kind of 'dangerous' online trend on social media that parents have to look out for. Recently, it often feels like one of the most popular apps amongst children and young adults, TikTok, is at the heart of things. In an effort to avoid any unnecessary stress, [this article](#) talks parents through what this latest craze is and offers advice on how to prevent children getting involved. On a more positive note, there is a fantastic new dance craze sweeping the TikTok community - [The Foot Shake Dance Challenge](#). Why not get involved?

Children in Need - Crazy Hair Day

Some seriously crazy hairstyles at Headley Park last Friday! Thank you to all the children who took part and for your support with the hairstyles and donations. We managed to raise over £280 for Children in Need. Thank you also to the Learning to Need fundraising time for organising the event.

Cupcake Decorating Workshop at the school on Mon 2nd December 3:30-5:00.

We still have places available for this - please ring the office if you would like your child to attend.

Each child attending will get 5 cupcakes each to decorate - one to eat on the afternoon and then 4 to take home in a gift box to share with their family (all nut free). Each child will also be given a cake-decorating certificate and a sheet with the recipe for the cakes to make again at home.

The cost will be £10 per child, payable on ParentPay when it is set up. The workshop is suitable for children in Year 3 and above and is limited to a maximum of 20 children. If more than 20 want to attend, we will draw names out of a hat.
